Storytime - Storytime, Tuesday 10:30AM

Happy August everyone,

Summer is winding down slowly, and by the end of the month, kids will be back in school and most of us will be back to a regular schedule. Please keep the library in mind when planning events and putting them on your calendars. We always have fun and interesting events and programs for different ages and interests.

On Thursday, August 1 at 6:00PM, join us for our Seed Library Start-Up. We've got seeds to give away as well as helpful tips for growing vegetables, herbs and flowers. You don't want to miss it. All ages invited.

Thursday evening, August 8 at 6:00PM we're having an Inman Quilters group program. If you like to quilt or want to learn how, come meet with us and let's get started.

It's also time to turn in your Summer Reading logs and collect your prizes if you haven't done so already. Kids can turn in their logs at the library or at school. Remember adults and teens can also get fun prizes, so be sure to turn in your cards.

Sincerely,

Terry Elsey, Branch Librarian
