STORYTIME - Tuesdays, 10:30AM

HAPPY NEW YEAR EVERYONE!

It's 2019 and the start of a whole new year. I hope you have goals and plans in mind to make it your best year yet. At the library, we are planning lots of fun programs and events throughout the year that we hope will bring you information, entertainment and ongoing inspiration and motivation.

Don't miss our couponing class on **January 10**. Jenny Martin of Southern Savers is known to have a fantastic system for saving money and getting the best products. Let her help you meet your financial goals this year. We are still interested in receiving donations of local high school yearbooks from Chapman High School, any years, and we'll also take yearbooks from lower grade schools in Inman as well if you'd like to give.

We're also hosting a tech program on website creation. It's not as hard as it seems - take the opportunity to come and learn how for yourself or your business.

Our Inman Adult book club will feature **Lisa Wingate's Before We Were Yours** which was a NY Times bestseller for months. It's a fictional story based on the true facts of Georgia Tann and her Memphis, TN Children's Home Society.

For our tweens and teens in January, Miss Lauren is starting two new clubs. For the tweens, you can participate in an Hour of Code, which will focus on computer coding. Don't let this skill pass you by! Teens can have fun with Miss Lauren's new gaming club. You can play Dungeons & Dragons, Magic: The Gathering, Pokémon or whatever you pick. Come practice your role-playing skills with these fun and imaginative games.

For our children in January, Miss Megan is busy planning lots of fun activities so be sure to note down on your calendars the **Monday Fun day programs at 3:30PM** and Storytime on **Tuesdays at 10:30AM**. You won't be disappointed.

If you have a fitness goal this year, consider checking out our DVDs on strength training, yoga, aerobic walking, pilates and more.
