It's May in Inman!

Hello Inman Patrons,

It's May and everyone's getting ready for summer. Our gardens are bursting, and the kids are ready to get out of school and have some leisure time. We hope you will bring them to the library as much as possible this summer. We'll have fun Summer Reading programs with performers as well as different craft programs, movies, games of all types, and lots of reading! Remember that Summer Reading is for all ages so we have reading programs for children, tweens, teens and adults.

Highlights of our adult programs in May include the "**Passion for Irises**" presentation by local Master Gardener Phil Abers on Thursday, May 2 at 6:00PM. Our **Inman Book Club** will be held that morning as well at 10:30AM. Barbara's mixed it up a bit this month and is letting you choose a favorite juvenile fiction book to read and discuss. If you can't think of one on your own, she's picked several options that you may like so come on in and ask for them at the circulation desk. For the evening **Thrillers Book Club** on Thursday, May 16, we'll be showing Alfred Hitchcock's "Dial M for Murder." And there's more; just check the calendar on the backside of this newsletter.

We have planned lots of activities for the children, tweens and teens as well with such things as games, coding, canvas painting, and a **May the Fourth be With You Star Wars Party**, so be sure to check the dates, programs and ages on the back.
