All branches of the Spartanburg County Public Libraries will be closed on Monday, May 27 for Memorial Day.

Special Guest Jay Bergen, former lawyer for and friend to John Lennon, will be here on May 2 to tell us about defending the Beatle in a dramatic copyright battle involving piracy claims and the Mob. He'll have his book, *John Lennon, the Mobster, and the Lawyer*, for sale.

One of our local wildflowers, the Bunched Arrowhead, is critically endangered. On May 14, learn how Furman University is using genetics to understand and help this lovely native treasure.

Up for a little armchair travel? John Stehlik and Maggie Brooks will take us on a breathtaking tour of the Blue Ridge Escarpment on May 16, from the comfort of our library chairs.

The Foothills Book Circle will be discussing *Isaac's Storm: A Man, a Time, and the Deadliest Hurricane in History*, by Erik Larsen, on May 23. Check the book out at the circulation desk and share your thoughts on this dramatic history tale!
