Book Review by Lori Sprouse

"When We Were Young" by Karen Kingsbury

This story is Book 4 of the Baxter Family series. We are introduced to Noah and Emily Carter and they are facing some big life changes. In a dream, God shows Noah what his future will be like because of the choices he's making today. This book is a great story of hope and miracles. Come to the Pacolet Library and check out this inspirational romance by Karen Kingsbury.
