National Library Week

This year National Library Week takes place April 19 – 25, 2026. Your library system offers everything from books, DVDs and magazines to eBooks, downloadable books and graphic novels. We also offer a wide variety of programs for children, teens, and adults as well as meeting rooms and even homebound and bookmobile services for those that can't make it into a branch library location. We also have many additional resources available on our website. During National Library Week make plans to stop by your local branch library to pick up a free SCPL car magnet to show your support for the libraries. SCPL car magnets will be available while supplies last. Visit our website to learn more about all the Spartanburg County Public Libraries have to offer.
