## Seed Library

Grow your world! Visit the Seed Library at the Boiling Springs Library and choose from heirloom food, flower, and native plant seeds ready for planting. New to gardening? Seed packets feature complete planting instructions including when to plant, spacing, light requirements, and more. The Seed Library was created in partnership with the Spartanburg Soil and Water Conservation District to:

- provide education on sustainability in growing food, flowers, and/or native plants
- increase local food production and promote healthy diets
- help to preserve plant diversity with regional and heirloom varieties
- promote backyard conservation practices to protect Spartanburg's natural resources
