Woodruff Maker Lab

Woodruff's newest edition to its Maker Lab is the Epson Archival Scanner – capable of scanning professional large-format scans (12.2" x 17.2"), restore faded color, clarity and detail to old photos, scan multiple images at one time and save files to zip/flash drive.

Other available offerings and features of Woodruff Maker Lab include: basic sewing instruction, embroidery machine, Cricut, lamination equipment, Epson archival scanner, photos from your cellphone, buttons, stickers, and heat press items. Come utilize the equipment. It's here! Give us a call at 864-476-8770 for more information.
